

LESTER SWEYD COLLECTION

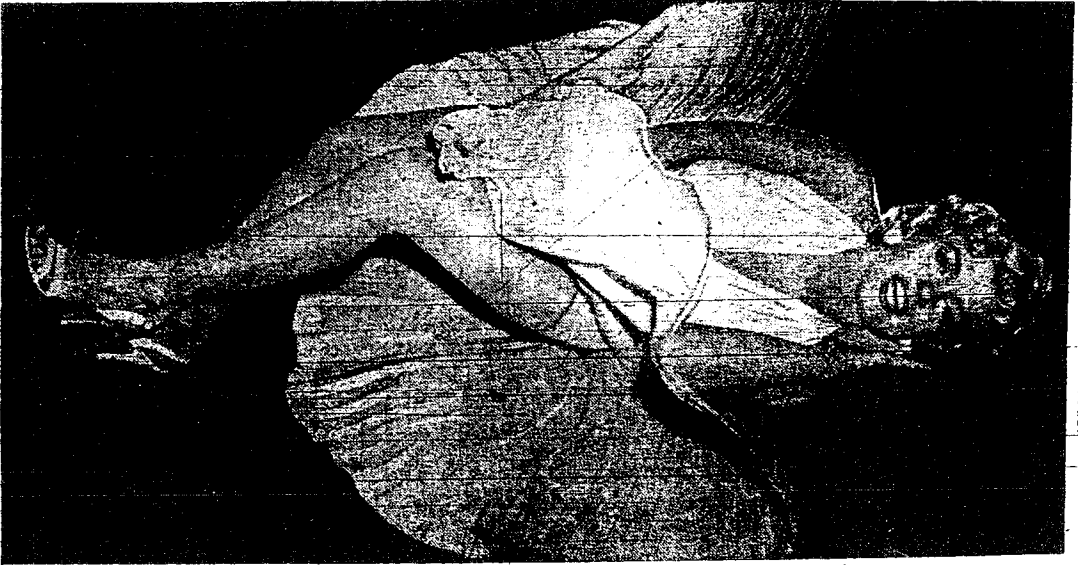

3-Here's another view of the same scene. Following the script, Marilyn has swung halfway around so only she can. It's show with on even though the pool dress completed or goose pimples.

Sept 16/54 Journal

4-The blower has been turned off. It comes down. And Marilyn laughs at spectacle. (Story and another photo.)

LESTER SWEYD COLLECTION

High-Di-Ho
For La Monroe

1-There was a very fitzy breeze, downed out by wolf a subway grating on Lexington two, near 51st it's morning, and the skirt of the luscious actress billowed graciously. "It was all for art's sake, that is, for a scene in her new picture, "The Seven Year Itch." An electric blower was thoughtfully placed under
